

Declaration for the Class "Database Systems II" in Summer Semester 2021

We hereby declare that we agree that the documentation and presentation slides as well as the programming code that we have prepared for the pre-exam requirement in the class Database Systems II in Summer Semester 2021 by the title

.....
A Database for the
Management of a Restaurant System
.....

.....
may be used for educational purposes at HFT Stuttgart and may be distributed to other students or staff at HFT on paper and in electronic format.
We also agree to present our project to the class during a video conference session which will not be recorded.
